

## Welcome to the 61<sup>st</sup> year for the CAHS

Our 61<sup>st</sup> National Convention for the Canadian Aviation Historical Society is in the bridge city of Saskatoon, Saskatchewan.

From June 19 to 22, we will celebrate with our meet and greet, great tours, interesting and informative presentations, and our banquet. I am looking forward to seeing my many friends and fellow aviation enthusiasts.

Our convention last June in Kingston was remarkably successful, and we will build on the momentum started there. We will start things off with our Meet and Greet Wednesday evening at the Sandman Hotel Saskatoon. All the presentations are at the Saskatchewan Aviation Museum and Learning Centre. We will tour Friday, with presentations on Thursday and Saturday, and our banquet Friday evening, back at the Sandman Hotel. There is a ZOOM option for the presentations for anyone unable to attend in person.

Blue skies,

*Gary Williams*

Gary Williams  
CAHS National President
